County Convention.
The Republicans of Butler County are requested to meet in Convention at Chelsea, on Saturday, August 20th, 1889, for the purpose of appointing three delegates to attend the District Convention, to be held at Elmdorado the 6th of September next, to nominate a candidate for a member of the council of the next Territorial Legislature, and to do such other business as may come before the convention. A full attendance is desired.
July 30th 1889.

No Township Tax.
The people of this township met at this place on Saturday last, pursuant to call, to vote, as the law requires, whether or not a township tax should be levied to pay the necessary expenses of the township organization. The result of the vote was, tax 15; no tax, 39. This is a little surprising. They elected township officers in March last to perform important duties, and now they refuse to pay them for it. It is on the same principle of hiring men to work in their fields or work shops, or in any other capacity and then refusing, without any excuse, to pay them for their services. We do not blame the people of this or any other township in the county for grumbling about the heavy taxation. A short time ago they paid a large county and Territorial tax, and are just through with working out a burdensome and unjust road tax. But because of this shall we refuse to pay a small sum to keep up our township organization, or shall we let that organization go by the board, as it assuredly will unless a sufficient tax is voted to sustain it.

We do not believe that the vote on Saturday was a fair expression of the people. We do not believe they would elect a man to fill an important township office, and after that man had left his farm in harvest, the most busy season of the year, and spent twenty days in faithfully performing his duties, that they would refuse to pay him for it. As a matter of course if we expect to keep up a township organization we will have to pay a township tax. The debt of last year and that of the present year will go over to be paid next year, and it will thus accumulate until it becomes a matter of some moment. Could we not more easily pay a small amount each year as we go along, than to let a township debt accumulate which will finally grow to be a large sum, and will have to be paid before we can have a township government? We think so. As the matter now stands, we can have no township government. Men are greener than we have given them credit for being if they do the business of the township without pay.

Statistics.
Mr. Thomas P. Hall, the Assessor in this township, has furnished us with the following statistics, which will be of interest to our readers. The whole number of inhabitants in Emporia township is 541; No. of registered voters, 180. The total amount of taxable property in the township is \$150,000. Last year it was \$83,308—showing an increase in the taxable property of Emporia township, within one year, of sixty-six thousand six hundred and ninety-two dollars! This speaks volumes for the prosperity and enterprise of the citizens of the vicinity. And it must be borne in mind that the township is not much more than half as large as it was last year. There it embraced a portion of what is now Fremont, and nearly all of what is now Forest Hill townships. While there has only been added a strip on the south, eight miles long and three miles wide. We venture the assertion that in the same territory that composed Emporia township when the assessment was made last year, the amount of taxable property has been considerably more than doubled. This is certainly encouraging.

A friend has also furnished us with some figures from Forest Hill. In that township the total population is 432; No. of voters, 162; total amount of taxable property, \$65,753.

We have no returns from any of the other townships. We will be glad to publish them, if the Assessors, or some person interested will furnish them.

County Delegates Convention.
The Delegates from the several townships met, pursuant to call, at Fremont, on Saturday, the 2nd inst., and was organized by appointing A. I. Baker Chairman, and W. H. Watkins Secretary.

On motion, Robert Logan, E. Goddard, and D. Swim, were appointed a committee on credentials, who reported the following gentlemen entitled to seats in the Convention from the several townships of the county:

Emporia Township.—Robert Logan, Van R. Holmes, and E. Borton.

Forest Hill.—W. W. Henderson, S. J. Smith, H. S. Sleeper, and O. A. Tripp.

Americus.—D. Swim, and S. L. Kenyon.

Fremont.—S. G. Elliott, and I. Bronson.

Agnes City.—A. I. Baker, and A. Overaker.

Cahola.—E. Goddard, and C. Columbus.

Waterloo.—W. H. Watkins, and J. R. Swallow.

No delegates present from Cottonwood township.

On motion, the report of the committee was received and adopted.

On motion of J. R. Swallow the convention proceeded to an informal ballot for three delegates to represent Breckenridge county in the Lawrence Convention.

Pending this, a motion was made and carried authorizing the delegates present from each township to cast the full vote of their respective townships.

On motion of C. Columbus, Mr. Buchanan was admitted as a delegate from Cottonwood township, and authorized to cast the two votes which that township was entitled to.

The chair appointed J. R. Swallow and S. L. Kenyon tellers.

FIRST BALLOT.
R. H. Abraham, 10; J. Stotler, 6; W. H. Watkins, 7; J. R. Swallow, 8; S. L. Kenyon, 5; J. M. Rankin, 5; W. W. Henderson, 8; E. Goddard, 1; A. I. Baker, 2; D. Swim, 2; W. H. Mickel, 1.

SECOND BALLOT.
R. H. Abraham, 17; S. L. Kenyon, 8; W. H. Watkins, 8; W. W. Henderson, 9; J. Stotler, 12.

On motion of R. Logan, R. H. Abraham, W. W. Henderson, and J. Stotler, were elected by acclamation.

The following resolutions were offered by Van R. Holmes, and unanimously adopted:

Resolved, That Marcus J. Parrott is the choice of the people of Breckenridge county for Delegate to Congress, and that our delegates be instructed to vote for him at the Lawrence Convention, and use all their influence to secure his nomination.

The following preamble and resolutions were offered by Mr. O. A. Tripp, of Forest Hill, and adopted without a dissenting voice:

WHEREAS, It has been recommended by the Republican Central Committee of Breckenridge County, that the primary election system be adopted in the choice of candidates for the office of Representative to the Territorial Legislature and the various county offices, and

WHEREAS, This convention deems it injudicious to depart from the delegate convention system without the expressed will of the people in convention assembled; Therefore,

Resolved, That as a convention, we request the Republican Central Committee of this county to fix upon a time for holding primary elections in the several townships, for the purpose of choosing delegates to a county convention, the object of which shall be to nominate candidates for the office of Representative and the various county offices, and not depart from this system until authorized by a county delegate convention; and be it further

Resolved, That in case the Republican Central Committee refuse to act in the premises, that the time for primary elections to choose delegates to said county convention in each township be the 1st Tuesday in October, at 3 o'clock P. M., at the usual places of holding elections, and the time for holding the county nominating convention be the 4th Tuesday in October.

On motion voted that the proceedings of this convention be published in THE KANSAS NEWS.

On motion, adjourned.

A. I. BAKER, President.
W. H. WATKINS, Secretary.

We received a call on Thursday last from Mr. G. W. French, from the House of John P. Wheeler & Co., Kansas City. He says business is not very brisk in Kansas City now, this being the dull season.

We are glad to learn that John P. Wheeler & Co., are doing a good business. They have one of the largest stocks of groceries, provisions and, in fact, everything that a person wants, that we have seen in the West. Go and see them, when you visit Kansas City.
